Monthly Newsletter

January 2010 - Happy New Year

Next Holiday: We finish for our half term holiday on Friday 12th February and return on Monday 22nd February.
We finish for Easter on Thursday 1st April which is the day before Good Friday.

Next year's holiday dates

We attach the dates for next year's holidays as decided upon by Havering. There will be INSET days in addition to these dates - but we usually add these to the beginning or end of holidays to make it easier for parents to arrange childcare. Please remember no holidays are authorised in term time.

New Parent Governor

Our new parent Governor is Mrs Julie Oberheim. Thank you to all parents who took the time to send in their vote.

PTA events

Thank you for supporting our Christmas Fair and Discos. The PTA will inform you in due course of how much money was raised but I believe it is in excess of £2,000.

Cook's corner: The menus can be downloaded from our web-site. If your child is late but is having school lunch please make sure they know which colour menu they want.

Next themed day: Tuesday 12th February - Mexican Day (usual price)

Snow closure

We always aim to open if at all possible but if the snow is so thick that teachers can't get into school it may be necessary to close the school. We will let parents know as soon as possible via parentmail and our web-site. There is also a new web-site <http://map.lgfl.org.uk/opencheck> which should give you a map of Havering showing which schools are open or shut.

Great Ormond Street Hospital

We are pleased to announce that we raised over £2,500 for Great Ormond Street Hospital from the collections at the end of the concerts and from the carol singing by our choir.

Welcome

We welcome Mrs Dhillon to our staff who is now the teacher for 4D. She is also taking responsibility for the teaching and learning of English throughout the school

Future dates:

We plan to hold two parent evenings on Wednesday 10th and Thursday 11th February, 3.30-5.30pm - more details to follow nearer the time
