

Nelmes Primary School

Monthly Newsletter

March 2009

Next Holiday: We finish for the Easter holiday on Friday 3rd April and return on Monday 20th April. Please note that school is closed on 4th May (Mayday Bank Holiday), 1st June (Teachers' INSET Day) and Thursday 4th June (Election Day)

Head Lice

We have regular outbreaks of head lice in our school. All children are at risk but it seems that girls with long hair are more prone to infection. I would strongly suggest therefore that girls with long hair keep it tied back while at school to help eradicate this problem.

Red Nose Day

Friday 13th March is Red Nose Day and we will support this by allowing children to come in non-uniform on that day for a minimum charge of £1. If they already own some red clothing they are welcome to wear that but it seems to defeat the object if people go and buy clothes specifically for the day. Red noses can also be worn.

Book Week

Thank you for supporting our Book Week - the winners of the Book Character competition were: Libby Button RK (Bam-Bam), Christy Wanstall 4T (Mary Poppins) and Tom Mills 5Ra (The Joker).

Disability Register

If you consider your child to have a disability of any kind please pick up a form from the Office Reception area and they can be added to Havering's Disability register if you would like them to be.

Lost Property

Any unclaimed lost property will be disposed of on the first day of every month. We have a lot of clothing which is un-named and to help you in this respect the office are going to sell permanent pens so that you can label clothes as soon as you purchase them (£2 each).

Infant Cycle Store

We are going to have a cycle store built near the Infant building. Unfortunately it was too wet at half term for the base to be laid - but it will be coming soon.

Cook's corner:

Next Special Lunch: Comic Relief Menu - Friday 13th March £1.80 - Roma will also be selling cakes at morning break - 20p each with 10p going to the charity

PTA Events

The PTA have produced their own newsletter detailing their next few events. I hope you can support them as their next project is a 'top of the range' projector and sound system for the Junior Hall which might be as much as £6,000.
